J. D. BABBAGE,

The Binebirds

Muon lee is hawed and enow its gone,
And rong smoetness floods lie treesWhen now-hirds from the heige have fit
And on the hive-proh swam the beerDrifting down the first warm wind
The theils the sattlest days of Spring,
And oharm then into tassesing.

And charms them into tassessing, to eits among the delicate sprays. With mists of splendor round him drak and through the spring's prophetic will see Summer's rich fulfilment dawn; to singr, and he is Nature's volce—A gush of melody sineere from that great fount of hermony which them and runs when Spring is

A LITTLE PILGRIM.

BY MES. OLIPHANT.

IN THE UNSERN.—Continued.
Then them comes into the Pilgrim sheest the continued of the cont

in more. In seemed to the little Flighting that her companion had falsen skeep, and parkaps it was so, ofter so much agitation. All this time there had been people passing, outstile by the many doors. And most of them passed a little to see where they were, and looked round them, they would be supported by the many doors. And most of them passed a little to see where they were not, and it seemed to that by which they extered each took a different way. While he was cheed, enother came in by the same door as that at which the woman bow was in her charge had come in his better with an air of great wonder and doubt. When he now her seeted on the ground with an air of great wonder and doubt. When he now her seeted on the ground with an air of great wonder and the best of the seed of the seed

plied. "May I slt by you a little?" said the an. He said down, drawing long breakt hough be bed gone through peakt lightly, and looked about with wondering see "You will wonder, but I do not ow where I am," be said. "I feel as I at be dreaming. This is not where I am," looked for something by different do you to look after ownering the great or come. I looked for something by different, do you think there can kave not may make the looked for something the said." I shall be supported to come. I looked for something by different, do you think there can kave not may be supported to come.

sey different to you have been as been been any—also taken?

"Oh, never that," she said, "force are mo mittakes here."

Then he looked at her again, and said "if prevers that you belong to this country, though you say you are a pligrim. I should he gradeal if you would tell me Does one live—here? And is this all? I should he may be that don't know what word to use. All is no arrange, different from "Do you know that you have died?"

"Yes—yes, I am quite sequalated with that," he said, harriedly, as if I that been as idea be disliked to dwell upon. "But then I expected—is shere no one to tell you where to go, or what you are to he? or take any notice of you?"

How was abe to lead them in the patts which sho did not knowl—and she was on-which the was the short of the lead o

restrelay."

"I hink," said the Pilgriur, "thut yesterday is the other slot, there is no yesterday is the other slot, there is no yesterday is the other slot, there is no yesterday in the product of th

of their light, and steleses in which the Pilgrim's home was.

"But," she said, "you are not to fear or secured town, became he goes likewise by these ways, and there is not a corser in all this land but he is to be seen passing by; and he will come and speak to you, and lasty his bend upon you; end starrards ever what you are to do."

"Stay with he shed upon you; end starrards ever what you are to do."

"Stay with me," the women cried, clinging to berarm.

"Unless another is sent," the little Pil, grim said. And it was nothing to her that the air was less bright there, for her mind was full of light, so that, though her beart atill dustered a little with all grims and and was full of light, so that, though her beart atill dustered a little with all grims and and was full of light, so that, though her beart atill dustered a little with all grims and and westly, with the stronger hanging upon her, who was stronger and seller than she. Thus they went on, and the Pilgrim told her all she knew, and every thing that came into her heart. And so full was abe of the great things she had to say, that it was a snopine to ber, and left her town little Pilgrim sock will to see and in the path hefore them was a child, coming it was a stronger and and the path hefore them was a child, coming towards them singing, with a look such as in ever-seen but upon the faces of children known fore no cased me no longer," and the Pilgrim; and it was a surprise to ber, and often an one of the cased of an one one of the cased of a noment the wondered in herself if it was known that this child should come as outdenly and the wondered herself if the was home to the wonder of the herself if it was known that this child should come as outdenly and the wondered in herself if it was known that this child debald come as anong the flowers from which she had come. But when a but touched the manning the flowers from which she had come. But when a but the head of the little Pilgrim, and it was a suprise to ber, and do come as a sub which he wouldere
